## Appointments Scorecard

Month..... Year....

| Week One                   | Mon | Tues | Weds | Thurs | Fri |
|----------------------------|-----|------|------|-------|-----|
| A Acute at Start of Day    |     |      |      |       |     |
| B Extras at End of Day     |     |      |      |       |     |
| C Gaps                     |     |      |      |       |     |
| D Unmet                    |     |      |      |       |     |
| E Your Score = $B - C + D$ |     |      |      |       |     |
| F Acute Demand = A + E     |     |      |      |       |     |
| Week Two                   | Mon | Tues | Weds | Thurs | Fri |
| A Acute at Start of Day    |     |      |      |       |     |
| B Extras at End of Day     |     |      |      |       |     |
| C Gaps                     |     |      |      |       |     |
| D Unmet                    |     |      |      |       |     |
| E Your Score = $B - C + D$ |     |      |      |       |     |
| F Acute Demand = A + E     |     |      |      |       |     |
| Week Three                 | Mon | Tues | Weds | Thurs | Fri |
| A Acute at Start of Day    |     |      |      |       |     |
| B Extras at End of Day     |     |      |      |       |     |
| C Gaps                     |     |      |      |       |     |
| D Unmet                    |     |      |      |       |     |
| E Your Score = $B - C + D$ |     |      |      |       |     |
| F Acute Demand = A + E     |     |      |      |       |     |
| Week Four                  | Mon | Tues | Weds | Thurs | Fri |
| A Acute at Start of Day    |     |      |      |       |     |
| B Extras at End of Day     |     |      |      |       |     |
| C Gaps                     |     |      |      |       |     |
| D Unmet                    |     |      |      |       |     |
| E Your Score = $B - C + D$ |     |      |      |       |     |
| F Acute Demand = A + E     |     |      |      |       |     |
